

“

We are honored to serve as chairs for *Promise: The Campaign for Texas Children's Hospital* at a very critical time in the hospital's history, but we are not alone in making a commitment to serve children and families. Each member of an outstanding group of community leaders has also made a promise to help us raise the funds necessary to achieve the Campaign's goals, and we are so grateful for their support and generosity.

”

Carol and Michael Linn
Promise Campaign Chairs
